MEMORANDUM

TO : Chief, Communications
Chief, Security
Chief, S/C
Chief, Training

FROM : Chief, Operations

SUBJECT: Appendix to Communications Routing and Information Guide

1. The attached charts and diagrams are the first in a series which is expected to result in a comprehensive communications routing and information guide. Information of communications interest is being compiled on each station which, when completed, will be combined and published as an information sheet for each individual station. The attached diagrams will be then incorporated in the complete guide as appendices.

2. These diagrams are submitted for your inspection, as will other portions of the document as they are prepared. Any comments or corrections to be made in these initial copies of the appendices and other portions of the document will be appreciated.
